
HOSPITALITY MANAGEMENT

Overview

Hospitality is an important aspect of business and society. This event provides recognition to FBLA members who have the ability to help other people enjoy both leisure and business-related events.

This is a team event composed of two or three members. This event consists of two parts: an objective test and a performance. The objective test is taken collaboratively by the team members, and the top fifteen teams scoring the highest on the objective test will advance to the final round and participate in the performance component.

This event is a team event of two or three members.
